

ALBERTA SAFETY COUNCIL

Making Alberta a Safer Place to Live, Work and Play.

BECOME A MEMBER!

The Alberta Safety Council is a not-for-profit, non-government-funded organization, operating on a cost-recovery basis to ensure all services are available at the lowest possible rates. Our mandate is to promote safety to Albertans in the home, the workplace, and their leisure activities. We would like to invite you to join other corporations, organizations, agencies, and individuals as a member of the Alberta Safety Council. Your participation in our membership program is vital to the success of the Alberta Safety Council. We offer a variety of programs promoting safety in the areas of transportation safety, occupational health and safety, and home and leisure safety along with our Children's safety programming. Your membership fees help us to maintain and expand our existing programs and services.

4 Types of Memberships
